SESSIONS SUMMARY

"Protecting Students in Transit"

There's nothing more important than protecting our children. Seeing everything means you can hold violators accountable, quickly resolve liability claims and protect your buses from misuse and vandalism.

Presented by: Gatekeeper Systems

"Lubrication Testing & Analysis - What it Means"

How to read and act on oil analysis reports and learn about:

1. Lubrication Best Practices to Reduce Unplanned Breakdowns in School Bus Fleets
2. Coolant & DEF System Do's & Don'ts: Preventing Costly Aftertreatment & EGR Failures
3. Extending Engine and Hydraulic Oil Life Through Lubricant Cleanliness Control

Presented by: E.H. Wolf & Sons

"CBD, DELTA-9, SAP"

CBD, Beware of Imposters.

Delta-9 THC Products from Hemp Are a Risk Not Worth Taking

It remains unacceptable for any safety-sensitive employee subject to the Department of Transportation's drug testing regulations to use marijuana. Since the use of CBD products could lead to a positive drug test result, Department of Transportation-regulated safety-sensitive employees should exercise caution when considering whether to use CBD products.
