SESSIONS SUMMARY

"School Bus Technology & Trends"

Trends in purchases of GPS, Student Tracking and Video Recording with Wisconsin School Districts. How technology is able to assist with solving issues and concerns in student transportation and challenges with implementing the tools successfully.

Presented by: Transportant

"Transporting Generation Z"

Provide you with an understanding of the prominent behaviors and traits of today's students and how to respond to them. Review challenges today's children face and how it influences their conduct. Review real claim activity and discuss the drivers' actions. Focus on ways to communicate with students, your supervisor, and the school.

Presented by: Keystone Insurers

***Note - this presentation will be live, virtually**

"Wisconsin CDL Updates"

Updated information on licensing and testing extensions and regulation waivers. Current statistics of school bus drivers in Wisconsin. Various other CDL changes and information.

Presented by: WI DOT DMV
