

Driving Safety Forward in WI: *School Bus* *Safety Brainstorm* *Contest*

Safety is the most important topic any of us can spend time on. WSBA is leading the way by supporting group brainstorming of any safety idea, big or small, with the goal of supporting the safety of everyone in Wisconsin!

What are some safety training ideas that your team does?

Time to share, big or small, submit them to WSBA.

Any idea that might save a life, reduce injuries, or decrease property damage qualifies.

DATES:

- **Friday, May 22nd:** ideas due to cherie@wi-sba-org
- **Friday, May 29th:** Applicants contacted and invited to present at Convention
- **Wednesday, June 24th:** finalists will make a short presentation at the convention
- Ideas will be judged by members present.

Prizes: 1st \$250, 2nd \$200, 3rd \$150

Idea List

Driving Safety Forward in WI: *School Bus* *Safety Brainstorm*

In your submission, provide information on training of drivers in the following areas or anything else safety related. Big ideas or little ideas, they all help.

What you think is common knowledge, could be a brainstorm for another team.
